Allowable Subject Matter

1. Claims 1-49 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 9, 19, 29, and 39,

The prior art of record does not teach or fairly suggest a method, apparatus, or system for starting a timer responsive to receiving the incoming data, initiating a connection establishment between the dormant mobile terminal and the PCF responsive to the incoming data, buffering the receiving incoming data, transferring the buffered data from the PCF to the previously dormant mobile terminal if the connection is established before expiration of the timer, and discarding the buffered incoming data if the connection between the dormant mobile terminal and the PCF is not established before expiration of the timer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
